Dear Lubos,
attached you can find the 2018 receipt. Please consider that our bank details are the same and the 2019 approved unit contribution is 3096 Euro.
I am very sorry in these day I am totally busy with our Officer Meeting that will take place next week, but I promise that on January 21 I will send to you the official letter for the 2019 IAU due.
Please if some contact is changed in the Slovakia organization that refer to us, let me know, so I can update our website and our system.
Thank you and my Best Regards
Rosaria

Dear Rosaria,

please, excuse, I intrude upon your time again with the question of what is the approved unit of contribution (national membership duty) for year 2019? According to the IAU web site, it was 3035 EUR for 2018, but it is not specified, yet, for the subsequent years.

I would like to explain that our membership is sponsored by the Slovak Academy of Sciences and a regular application for the support should be sent in a form together with the annual report of our local IAU-branch to the office of the academy (with the dead-line on January 21).

And, can you, please, send me also new detail for making the payment. In the past, we payed to:

International Astronomical Union - Union Astronomique Internationale

IAU General Secretary, Dr. Piero Benvenuti

Address:

IAU - UAI Secretariat

98-bis Blvd Arago

F-75014 PARIS

FRANCE

Bank-account details:

Bank: HSBC,

Bank Address:

10, place Calalogne,

Re: membership duty for 2019

75014 Paris,
France,
IBAN: FR76 3005 6002 6402 6400 0881 292
BIC/SWIFT: CCFRFRPP

However, Dr. Piero Benvenuti is no longer the general secretary and the above bank account could be changed. (If not, please confirm that it is still valid.)

If the information requested is not available at the moment, please give me know. (I will then try to negotiate with the office of our academy a later date of the application for the IAU-membership-fee payment.)

Thank you, in advance, for your help.

With the best regards, respectfully,

Lubos Neslusan,
chair of the IAU National
Committee for Slovakia
